SHOP ALL	Internal Links	Dofollow
HAIR ACCESSORIES	Internal Links	Dofollow
CONTACT	Internal Links	Dofollow
Cart	Internal Links	Dofollow

Links pass value from one page to another, but the amount of value that can be passed is split between all of the links on a page. This means that adding unnecessary links will dilute the potential value attributed to your other links.

Using the Nofollow attribute prevents value from being passed to the linking page, but it's worth noting that these links are still taken into account when calculating the value that is passed through each link, so Nofollow links can also dilute pagerank.
